National RTAP is Developing a TRAINING Database

In order to have the best and most current information for our rural transit operators, National RTAP is looking to develop a comprehensive list of trainers and training centers by state including their rates and specialties. National RTAP staff will be contacting State RTAP Managers to assist in developing this list. Please send any information you may have for your state to Alison Kemp, Resource Specialist, at akemp@nationalrtap.org.

Oberstar to Release White Paper Tomorrow

House Committee on Transportation and Infrastructure Chairman James Oberstar is scheduled to release a white paper to outline plans for the new surface transportation authorization bill. The news conference will take place at 11:00am in Room 2167 of the Rayburn House Office Building. The white paper will be available on the Committee's website afterward and the news conference will also be webcast live on the [Committee's Website](#).
